LETTER OF APPRECIATION

I would like to thank each and everyone who has contributed to the 1980 Debutante Ball, to have made it a success.

I would also like to thank my parents for all they have done for me over the years to make my life worth living for. I am glad that I am able to further my education with the understanding and the knowledge given to me through my years at school. Without the help of my parents I don't think I'd be able to attend college in the fall. I will always be grateful.

I'd like, especially, to give thanks to June, LaVerne, Loretta, Mevelene, Samantha, and Sandra - the Advisors of the 1980 Debutante Ball - for taking an interest in us, so that some day I will be able to look back on life and remember the Year of 1980.

THANK YOU!

Maureen S. Mitchell

TO THE FINEST PARENTS

(Fred and Betty Middleton)

Thank you very much for all you've done.

Having both of you as my parents and the understanding we have with one another makes being your daughter a pleasure.

I hope being your daughter makes you as proud of me as I am of both of you.

Loving you always,
Jeana (Frejeana)

ADVISORY MESSAGE

We the Advisors of the 1980 Debutantes take this opportunity to thank all who have helped to make this Fourth Annual Debutante Ball a success.

Our Theme this year is 'We've Only Just Begun' - essentially starting from a child to puberty and then becoming an adult. Our young women have taken the steps to further their education by participating in our workshops to enhance their lives even more; and we are proud of each one. We encourage every high school Junior to seriously consider joining us next year; your lives will certainly be enlightened. This past year's workshops consisted of various segments such as personal grooming, exercising, etiquette, group discussions, modern dancing, fashion designing and modeling. Talk to a Deb here this evening; we are sure they will discuss their own personal experiences with you. After all, they are now your peers and our next generation.

Our last advice to you is always put God first in your life and be happy.

The Advisors

TO ALL MY DEB SISTERS

We have come over the threshold of life; we are now ready to enter into society. Never forget the good times we had together, and I hope that the love we shared throughout this year will never be forgotten.

BLACK WOMEN OF TODAY

The Black Women of Today Sophisticated, Educated, known for her ability to really make it. Yea! She's cool and smooth, a genuine **B R I C K H O U S E** that can really move.

No more scruben floors, or wipen down doors. Honey, no more washen dirty dishes that ain't even yours. Yea! Those days are gone, see Momma worked herself hard, but just as I said child, those days are long gone.

So be yourself and play it smart and show your inner black beauty cause baby it's really **YOUR** best part . . .

ESCORTS

A collage of black and white photographs showing students dancing and socializing at a formal event. The photos are cut out and pasted together, depicting various couples in formal attire. The images show students in various poses, some dancing, some standing, and some in profile. The collage is composed of several distinct photographs, some of which are partially cut off by the edges of the page. The overall theme is a formal social gathering, likely a prom or a similar event.

THROUGH THE YEARS

Through the years . . . we watch our young people grow into gleaming adults.

Through the years . . . they are absorbed by society where they are judged by skin color and not content of their minds;

Through the years . . . we will continue to help our people strive for success and ripen with age.

Susan Alvin

THANK YOU

I would like to thank my Mother, Father, and Family for giving me the support and confidence in molding me into what I am today. I would also like to thank the Advisors for making this event a most memorable one.
