ADVISORY COMMITTEE MESSAGE

We the Advisors of the 1981 Debutantes take this opportunity to thank all who have helped to make this Fifth Annual Debutante Presentation a success.

Our Theme this year is 'Out Here On My Own' - essentially, our young ladies are ready to prove who they are - ready to reach for that shining star to take them to points unknown.

Our young ladies have taken the steps to further their education by participating in our workshops to enhance their lives even more; and we are proud of each one. We encourage every high school Junior to seriously consider joining us next year; your lives will certainly be enlightened. This past year's workshops consisted of various segments such as personal grooming, exercising, etiquette, group discussions (magic circles), modern dancing, fashion designing and modeling.

Talk to a Deb here this evening; we are sure they will discuss their own personal experiences with you. After all, they are now your peers and our next generation.

Our last advice to our Debutantes is always put God first in your life and be happy.

ABOUT

YOUTH

THE DEB OF TODAY

The 'Deb of Today' is the future of tomorrow. She is a prominent black lawyer or the discoverer of the cure for cancer. She is the 'head' of a huge corporation or an astronaut off to another galaxy. She is the mother of future rulers or a great concert violinist.

'SHE IS A SUPREME COURT JUDGE OR PRESIDENT OF THE UNITED STATES.' The 'Deb of Today' is an important part of tomorrow for she will enter areas that were dreamed of in the past. This is why she needs all the LOVE and ENCOURAGEMENT it takes to 'make it'.

Michelle Cooper

THANK YOU

I would like to express my deepest thanks and love to my parents, for directing me through the first nineteen years of my life; with much honesty, openness and love. Also, thanks to my Aunt and Uncle Mr. and Mrs. Richard Lovell, Sr., who have inspired me and stuck by me through this whole affair.

To the Advisory Committee, I would like to thank you all so very much for all of the time and patience you have given to me. Being a part of this distinct group has been an experience I am sure I will never forget.

Thank you.

C. Vicky Day

LETTERS OF APPRECIATION

Thank you Mom and Dad for loving and trusting in me; I can't begin to explain my love and respect for that. You have instilled many things in me . . . Love and respect for myself; love and respect for my parents; and love and respect for God.

Thank you for all of this.

Love,

Donna Davis

I would like to thank all of the people who helped in making it possible for me to become a Debutante. I think every young lady who has the opportunity, should be a Deb. It's a real happy experience.

Terry Shipman

I extend my deepest gratitude to all of the people who have supported me through their contributions in my success in becoming a Debutante.

Lisa Diggs

I would like to give my special thanks to my Mother and Father who have given me the love, support and the guidance I needed through the years; for without them, I would be nothing.

I love you,

Deidre Robinson

THANK YOU FOR YOUR SUPPORT

My appreciation to all of the people who have sponsored me in efforts to have a beautiful Debutante Ball. I would like to give a special thanks to my mother for all her support during the year and throughout my life.

Thank you, Advisors, for making things perfect in so many ways which is beautiful and worthwhile.

Leisa Thompson

THANK YOU ADVISORS

I would like to give my appreciation to our Advisors for a wonderful experience which I will always remember. I also thank all of the people who purchased my Boosters. Most of all, a special thanks to Aunt June for caring.

I love you,

Marcia' Thompson

MY DAILY PRAYER

I would like to share this poem of prayer with my Deb sisters. Since I say this poem every night, I would like everyone to remember me and the fun we shared.

Bless me heavenly Father, forgive my erring ways.
Grant me strength to serve thee, put purpose in my day.

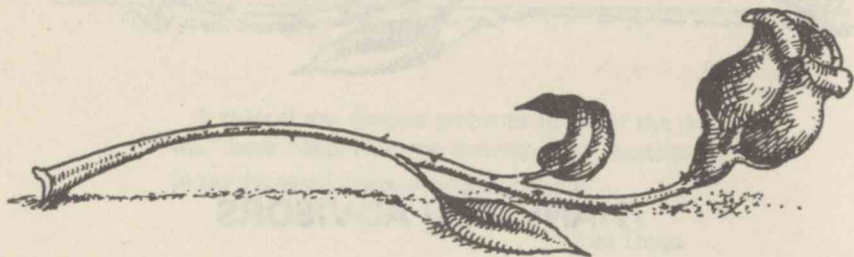

Give me understanding, enough to make me kind.
So I may judge all people with my heart and not my mind.

And teach me to be patient, in everything I do;
Content to trust your wisdom, and follow after you.

Help me when I falter, and hear me when I pray.
Receive me in thy Kingdom, to dwell with Thee some day.

Love,

Connie Williams

Footprints in the Sand

One night I had a dream.....

I dreamed I was walking along the beach with the Lord
and across the sky flashed scenes from my life~

For each scene, I noticed two sets of footprints in the
sand, one belonged to me, the other to the Lord~

When the last scene of my life flashed before us, I
looked back at the footprints in the sand~

I noticed, that many times along the path of my life,
there was only one set of footprints~

I also noticed that it happened at the very lowest and
saddest time in my life~

This really bothered me and I questioned the Lord
about it~

"Lord," I said, "You said that once I decided to follow
you, you would walk with me all the way, but I
have noticed that during the most troublesome times
in my life there is only one set of footprints. I don't
understand why in times when I needed you most,
you would leave me."

The Lord replied, "My precious, precious child, I love you
and I would never, never leave you during your
times of trials and suffering. When you see only one
set of footprints, it was then that I carried you."
