President's Message

Dear Friends:

Once again we meet on this glorious occasion — our Annual Debutante Ball. I am grateful to all of you for your attendance this evening, and the following you have given us throughout the year.

I would like to pause for a moment to personally recognize some of the people who have made my tenure as president a successful one: First, to "my club members"; "We have overcome many hardships during this club year, and I am truly grateful for the moral support, willingness to work, and cooperation you have given, I know that an organization cannot prosper if there is not peace and tranquility within its physical structure" — thanks, girls. To the husbands; "I realize that without your sacrificing and understanding, we would not have been able to work together as a group, you have played a most important role in creating the scene tonight" — thanks, fellas. Last, but not least, to the public; "Many of you have stood behind SINYA morally and financially, I am grateful, Sinya is grateful; for your donations to our fund raising activities, your patronage of our affairs, and your scholarship contributions" — thanks, friends.

The proceeds of all Sinya affairs are used for scholarship purposes. Last year we awarded two three-hundred dollar scholarships. The applications for this year's scholarship awards are in circulation. You can help us again by spreading the word and seeing that every boy and girl in this Valley and surrounding communities needing financial help applies.

To our lovely young ladies being presented this evening, congratulations, may all your endeavors be successful, and may yours always be a "Wonderful world with Beautiful people".

MRS. SAUL BRANTLEY, SR.
President
